Letter No MC 122/48-48 d 6th Aug 48

Requests sanction to the Estimate of Rs 40 530/- for the construction of sweepers quarters at Bhadravati, and for a grant of 2/3 of the Estimate as Govt Contribution and 2/3 of the Estimated Cost being met from out of the closing balance of the Municipality.

Minute of the Minister for L S G -

14) "Please put up the file"

(Sd) R C d 9-8-48

Construction of sweepers quarters at Bhadrachalam

15) The C.E. (R&B) has estimated the cost for Rs 40530/- @ Rs 6455/- for each unit

16) It is stated that the houses proposed to be constructed are on a permanent basis to provide accomodation and good health to 25 families of sweepers and scavengers etc by constructing six units of four quarters at an estimated cost of Rs 6455/- for each unit.

17) The Bhadrachalam Town municipal council has resolved at its meeting held on 13.3.48 requesting the Govt. for a grant of Rs 27,020 as Govt. Grant to meet 2/3 of the Estimated cost and donation to meet the other 1/3 of the estimated cost i.e. Rs 13510/- out of the closing balance of the municipality.

18) The Provisional figures relating to the financial position of the municipality for the year 1948-49 are as follows—

opening Balance —	14040
Receipts —	147,074
Total	161,144
Expenditure —	122,498
Closing Balance — Rs	38,646

19) The President requests for early sanction of the Scheme and the Estimate for Rs 40530 Sub joined —

Sd 31/8

20) It is not clear from the papers whether the Quarters are proposed to be provided to the Sweepers entirely free or whether the Municipal Council have an intention of charging a rent (even at a Concessional rate) for the occupation of the Quarters Constructed If the latter is the case, the Scheme does not seem to merit a grant of as much as two-thirds of the estimated Cost as the Municipal Council would be deducting some amount out of the Scheme If it is for orders whether this point may be clarified before proceeding further

Rs 1-9-48

21) The proposal of the Bhadravathi Town Municipal Council is to build six units of four quarters at an estimated cost of Rs 6755/- for each unit This is intended to provide sanitary dwellings to 25 families of Sweepers & Scavengers

22) The estimate for the above work as prepared for Rs 6755/-

for one unit only the Chief Engineer [illegible] Secretariat it and it is found to be worth the total cost for this unit at the above rate comes up to Rs 40,530/- Hrs may kindly be approved

23) As regards the meeting of the cost of the scheme, the Pl have received to meet one -third of the cost viz Rs 13,570 and have requested that the remaining two Thirds viz Rs 27,020 may be given as a first grant

24) Bhadravathi is an industrial town which is growing day by day it is necessary to provide accommodation to this class of Pl employees as it is difficult to secure houses

1207 √ 1435 — Construction of Sweepers' Quarters at Bhadrawati

2nd to have -ii at the place

25) The Bhadrawati Mcl is not in a position to meet the entire charges of the scheme Hence it is a matter for consideration whether the expdre may not be met in equal proportions (instead of 2/3 & 1/3) by the govt of the Mcl and the work spread over a period of two years as that is the period that would be taken for constructing the buildgs

B

26) The next point for consideration is the source from which the govt share of the expenditure should be met — whether it should be met by the Two Govt Govt grants for 48-49 or the grant for the Amelioration of the Depressed classes for the current year

Sir,

Subject - Construction of Sweepers' Quarters in Bhadravati Municipality - Sanction of grant for

With reference to your letter No L 8594 dated 28-1-49 on the subject noted above, I have the honour to enclose herewith a copy of the resolution of the Municipal Council passed at the meeting held on 22-2-49 agreeing to the proposal for the grant of Rs 250/- for the construction of each sweeper's quarters The Municipal Council have resolved to construct 24 Quarters and the total works out to Rs 6,000/- The total estimated cost as already stated is Rs 40,530/- The balance to be met by the Municipality will be Rs 34530/- (40530-6000)

The Municipality at best could take up the construction of 12 Quarters this year as the month of February is already over and only four more months of the year are left for taking up the work Anyway the sanctioned grant of Rs 6,000/- will be got credited to the Municipal funds and provision made in the Budget of 1949-50 for taking up the construction of the remaining 12 Quarters This proposal is made in view of the fact that the entire Municipal Quota cannot be met out of the closing balance this year alone if all the 24 quarters are taken up for execution

In these circumstances, I request for orders of Government for sanction of the grant of Rs 6000/- and for meeting the Municipal Quota of construction of 12 Quarters the cost of which works out to Rs 17265/- (20265-3000) out of the closing balance

Yours faithfully,

ORDER NO L 12-159-62/MU 45-48 22

Dated, Bangalore, the 21 4-49

The Deputy Commissioner, Shimoga District sent up for sanction the resolution dated 13th March 1948 of the Bhadravathi Town Municipal Council approving of the construction of six units of four quarters each for the sweepers the town at an estimated cost of Rs 6,755/- for each unit, and agreeing to meet a third of the cost, or Rs 13,510/-, and asking for the balance of Rs 27,020/- as a grant from Government to make up the total estimated cost of Rs 40,530/- It was suggested that a grant of Rs 250/- only for each unit can be given from out of the allotment made to the Shimoga District for the amelioration of the Depressed Classes and that the balance will have to be met out of the Municipal funds

Accordingly the Bhadravathi Town Municipal Council, has passed a revised resolution 22nd February 1949 agreeing to bear an expenditure of Rs 34,530/- on this work, th

balance of Rs 6,000/- being met from out of the grants for the amelioration of the Depressed Classes at the rate of Rs 250/-, for each house The Deputy Commissioner, Shimoga District, however recommends that, in view of the heavy cost involved, the work may be taken up in two instalments, the amount payable out of the Municipal funds and from the district grant for the amelioration of Depressed Classes being paid this year and the next at the rate of Rs 17,265/- and Rs 3,000/- each, respectively

Government are pleased to sanction the above proposals The Municipal share of the expenditure will be met from out of the closing balance for this year and due provision may be made for the same in the Municipal budget for next year The work may be taken up and completed very early
